

Editor Instructions: Pep Guardiola Tried To Warn Us About Lamine Yamal

CapCut assembly guide for the Lamine Yamal / Pep Guardiola warning video.

1. Folder Map

01 Voiceover	Main ElevenLabs V3 narration. Use the 11:56 editor version.
02 Narrative Insert Clips	Cutaways where voiceover should pause or dip and clip audio should play.
03 B-Roll Short Clips	Muted short clips for fast visual pacing.
04 Longer B-Roll Source Clips	Backup source clips if more visual coverage is needed.
05 Graphics	Timeline, pressure map, and use-vs-depend graphic cards.
06 Thumbnail Options	Three thumbnail drafts. Recommended: thumbnail_v1_he_knew.png.

2. Main Edit Rules

First minute	Must include the Pep insert around 00:42-00:58 for retention.
No FIFA clips	Avoid FIFA material because previous uploads triggered restrictions.
Pacing	Change visuals every sentence or two. Most B-roll should last 2-6 seconds.
Tone	Protective warning, not an anti-Lamine video.
Graphics	Use each graphic for 5-8 seconds with a subtle zoom.

3. Timeline Guide

00:00-00:42	Dangerous hype, Spain/Barcelona stakes, Messi question.	Fast B-roll 001, 005, 012, 020. Text flashes: THE NEXT MESSI? / TOO SOON?
00:42-00:58	Pep warning setup.	Insert: pep_warning_messi_comparison_01m28s-01m46s.mp4. Mandatory retention insert.
00:58-02:15	Pressure wearing a crown.	B-roll 021, 019, 017. Add graphic_lamine_timeline.png.
02:15-02:45	Chosen-one language.	Insert: henry_micah_chosen_one_00m02s-00m13s.mp4.
02:45-04:20	Messi comparison trap.	B-roll 006, 003, 004. Insert 60 Minutes Messi heir clip.
04:20-06:10	Barcelona dependence and overuse.	B-roll 018, 002, 007. Add graphic_pressure_map.png.
06:10-06:40	Talent arrives faster than a career.	Insert: sixty_minutes_age_16_spain_00m56s-01m10s.mp4.
08:35-09:00	World Cup pressure.	Insert: lamine_world_cup_quote_00m00s-00m15s.mp4.
09:00-10:30	Spain solution: support, not dependence.	B-roll 013, 014, 015, 016. Add graphic_use_vs_depend.png.
10:30-end	Final warning: let him become Lamine.	B-roll 009, 010, 022. End on NOT THE NEXT MESSI / THE FIRST LAMINE.
